

MANY THANKS

America's Second Harvest — The Nation's Food Bank Network

America's Second Harvest extends its gratitude to all of the donors who provide food, grocery products, and funds to help the hungry. It is only with the support of our donors that we are able to feed the 25 million people who rely on our network for food assistance each year.

MISSION PARTNERS

AMERICA'S SECOND HARVEST IS GRATEFUL TO THOSE COMPANIES WHO SUPPORT OUR MISSION AT THE HIGHEST LEVEL BY CONTRIBUTING MORE THAN \$1 MILLION.

GARY RODKIN, PRESIDENT AND CEO,
CONAGRA FOODS, INC.

"As a leading foods company, ConAgra Foods is proud to collaborate with America's Second Harvest, and leverage our strengths to increase and improve access to food for millions of U.S. children who depend on the network for nourishment. Our Nourish Today, Flourish TomorrowSM community platform reflects our belief that no child should have to worry about going hungry. With this platform, we can help address a basic need for children, and ultimately, enable them to lead all of us toward a better tomorrow."

DAVID BREARTON, EXECUTIVE VICE PRESIDENT, GLOBAL
BUSINESS SERVICES AND STRATEGY, KRAFT FOODS INC.

"At Kraft, we applaud America's Second Harvest for its exemplary efforts to help provide nutritious foods to families and children in need and are proud of our longstanding partnership to increase access and improve the quality of foods available. That's why in 1997, Kraft launched the Community Nutrition Program – an innovative partnership that has provided more than 1 billion servings of fresh foods to people in need. We proudly continue this program and our commitment to a hunger-free America."

DAVID B. DILLON, CHAIRMAN AND CEO,
THE KROGER CO.

"Kroger has a long-standing tradition of giving back to the communities we serve. As one of the largest retail grocers in the country, we are proud of our partnership with more than 200 America's Second Harvest member food banks, food rescue organizations and the national office. This year we again launched 'Bringing Hope to the Table,' a national campaign to draw attention to hunger and to raise significant funds and food for America's Second Harvest network members."

**DORIS K. CHRISTOPHER, FOUNDER AND CHAIRMAN,
THE PAMPERED CHEF, LTD.**

“At The Pampered Chef, we have a vision of ensuring that everyone has a place at the table. Since 1991, our coworkers, Consultants, and Cooking Show guests have supported the America’s Second Harvest – the Nation’s Food Bank Network through our *Round-Up from the Heart®* campaign. We are proud to be the first promotional partner of the America’s Second Harvest Network and will continue our efforts to help end hunger throughout the United States.”

**THE STARR
FOUNDATION**

**FLORENCE DAVIS, PRESIDENT,
THE STARR FOUNDATION**

“The Starr Foundation is a proud supporter of America’s Second Harvest’s emergency and sustained efforts to alleviate hunger. The Fund for New York City Hunger Relief, in particular, is a model of effectiveness, strengthening grantees and neighborhood partnerships, and impacting so many of those facing hunger in New York City. ”

**LEE SCOTT, JR., PRESIDENT AND CEO,
WAL-MART STORES, INC.**

“At Wal-Mart we believe in making lives better. Our more than 4,000 stores and clubs across the U.S. are committed to that purpose every day. Together with America’s Second Harvest, we help fight hunger in the communities we serve through financial assistance and the donation of food. We want to make a real difference in the lives of so many who are in need, and look forward to a continued partnership for a long time to come.”
